Why SpeakEasy

1

Scenarios Created by You, Powered by AI

Craft learning scenarios tailored to your interests and goals. Whether it's ordering at café or negotiating a contract, the conversation is in your hands.

2

Limitless Conversations

Unlike other apps, we don't limit you to preset scenarios. You can practise anything, anytime. The possibilities are endless, and the learning is limitless.

3

Get Help with a Tap

Stuck in a conversation? Tap the "Get Help" button for multiple AI-powered suggestions to guide you. It's like having a personal tutor by your side, always giving you the best options to keep learning.

4

Real-Time Feedback

No more guessing if you're saying it right. Get instant corrections and advice to perfect your skills.

SpeakEasy isn't just another language learning app.
We make language learning **faster, smarter, and much cooler.**
